MY 12 MOST INTENSIVE EXPERIENCES IN THE PAST 50 YEARS:

2016	An idea becomes a house – a challenge.
2011	You make your choices alone.
2007/10/12	To be able to show our three boys and us the world.
1996	"... I will die soon ..." – My mentor, my fatherly friend – and then, suddenly, he was gone.
1993	The lady of the house and I marry, and that same year I become a parent.
1990	Sometimes life benefits from a prescribed change.
1984	Work casts me under its spell.
1980	And life is still good to me, after all.
1979	Someone shows me the dance of life and becomes my life-long friend.
1979	Since things have gone well so far, I treat myself to college studies.
1971	I would have liked to have done without the experience of corporate and family bankruptcy.
1962	The kindergarten teacher did not find my building block experiments terribly exciting.
